10 Year Rust Proof Warranty

During the warranty if any part of the doors rusts while in use in a walk-in cooler, freezer or any other application it will be exchanged at no charge to the user.

270° Hinge

Available 270 Degree Hinge System Option

Our 270 degree hinge system is designed for easier swinging. The hinge system will accommodate higher loads placing less stress on the walk in panel and on the load.

The hinge mounts above the opening giving several inches of additional clearance, allowing for even easier passage than the standard Clear Vu Door.

Green .125 Impact Doors have a 15" x 15" standard clear polycarbonate window which is virtually unbreakable and shatterproof

Impact Plates for High Impact Areas

Resist wear and tear when hand trucks, carts or forklifts push through doors. Impact plates made of .125 ABS can be added to both sides of any clear vu or impact door. Plates are permanently bonded to the doors.

Warranty: Clear Vu & Impact Swinging Doors are warranted to be free from manufacturing defects for up to 90 days from the date shipped.
